Five Quick Takeaways from Presentation: "Puritan Ideologies"

1. Ideology: a system of ideas and ideals, especially one that forms the basis of a political theory or the rulings of a community.
2. Writing and creative self-expression were important to the Puritans.
3. Puritans considered themselves among the "saved." Anyone else on the planet was not on the list.
4. Early Puritans did not like the idea of a democratic society.
5. Puritan Plain Style controlled most aspects of creative and functional artwork of the colonies.
