- "Its complexity & beauty will entice the reader back again & again."
—Joan Seliger Sidney, author of *Body of Diminishing Motion & Bereft and Blessed*
- "But perhaps more than anything, this book is a guide written by a poet to his young son, something the boy can tuck away so that one day, when he's ready and capable of understanding, he can read and know the map of his father's heart."
—Bryan Borland, author of *Less Fortunate Pirates*
