Code for Academic Honesty

The System upholds the core values of learning: honesty, trust, respect, fairness, and accountability. We promote the importance of personal and academic honesty. We embrace the belief that all learners – students, faculty, staff and administrators – will produce their own work and must give appropriate credit to the work of others. No fabrication of sources or unauthorized collaboration is permitted on any work submitted within the System. Even inadvertent cheating or plagiarizing must be avoided by careful documentation of the other people’s ideas and language. Please refer to the *Academic Honesty and Student Success* brochure for more information.

The Lone Star College System subscribes to Turnitin.com, an online collaborative learning tool for faculty which supports faculty in their quest to uphold academic integrity. Student coursework will be submitted to the scrutiny of the Turnitin software. Please note that these submissions of assignments to Turnitin do not necessarily constitute an accusation or suspicion of plagiarism on the student’s part.
