Code for Academic Honesty

The System upholds the core values of learning: honesty, trust, respect, fairness, and accountability. We promote the importance of personal and academic honesty. We embrace the belief that all learners – students, faculty, staff and administrators – will produce their own work and must give appropriate credit to the work of others. No fabrication of sources or unauthorized collaboration is permitted on any work submitted within the System. Even inadvertent cheating or plagiarizing must be avoided by careful documentation of the other people’s ideas and language. Please refer to the *Academic Honesty and Student Success* brochure for more information.

The Lone Star College System subscribes to Turnitin.com, an online collaborative learning tool for faculty which supports faculty in their quest to uphold academic integrity. Student coursework will be submitted to the scrutiny of the Turnitin software. Please note that these submissions of assignments to Turnitin do not necessarily constitute an accusation or suspicion of plagiarism on the student’s part.

Guidelines for Children of College Students

Children of students may not enter the classroom, even for brief visits, without the instructor's prior express written permission and may never enter lab areas. See Board Policy Section II.D.2.04 and Section II.D.2.06 for more information.

The Texas Legislature enacted campus carry by passing Senate Bill 11, effective at LSC on August 1, 2017. Senate Bill 11, known as the "Campus Carry" law, amends Texas law to allow license holders to carry concealed handguns on college campuses. To carry a concealed handgun on LSC campuses, an individual must have a valid License to Carry issued by the Texas Department of Public Safety.

LSC has established rules and regulations regarding enforcement of Campus Carry. Lone Star College prohibits concealed carry in some areas of LSC campuses. For more information about Campus Carry, visit the LSC Campus Carry website at <http://www.lonestar.edu/campuscarry>

¹ Oral communication is handled explicitly in the 42 credit hour LSCS Core through the Speech course Core requirement. The LSCS General Education Committee determined that courses in the Core clearly can and should and usually must complement each other in order to achieve full coverage of the core objectives mandated by the THECB.
