

## **Reflection, 9-06-18**

For five minutes, using a focused freewrite method, write on the supplied topic in Google Docs. Save the document in Google Classroom.

Aim to complete between 150-300 words before time runs out.

*Think back to this time last year. Besides being older, how have you changed?*

Consider your character, your values, your expectations, your perspective, and your feelings.

Identify and explain or describe two ways in which you are different.

If you have time, explain why or how this happened.
