

Reflection, 9-24-18

For five minutes, using a focused freewrite method, write on the supplied topic in Google Docs. Save the document in Google Classroom.

Aim to complete between 150-300 words before time runs out.

What does the term “personal values” mean to you? What are some of your important values that shape your identity?

Consider recollections of your family history and previous experiences.

Identify and explain or describe two ways in which your personal values have affected aspects of your high school career **or** consider how you may have had to choose between your friends and a principle you value.

If you have time, explain why or how this happened.
