

In class work / homework for 04.12.07:

due 04.19.07

C

Create 1 version of uppercase letterforms **H, O, V** at 400 points.

An attempt has been made to create remaining required letterforms before class 04.19.07.

Letters are recognizable and show contrasts in size, gray scale, & design arrangements.

Stroke weights, stems, and curves all follow a recognizable formula.

Outside influence is indicated in file(s).

Digital version is saved as an EPS file on transfer space, titled with your last name (ex: *smith-UC.eps*).

B

Create 2 full versions of uppercase letterforms **H, O, V** at 400 points.

Uppercase letterforms **C, A, T, L, Y, & S** are completed before class 04.19.07 in preferred design format.

Letters are recognizable and show contrasts in size, gray scale, & design arrangements.

Stroke weights, stems, and curves all follow a recognizable formula.

Outside influence is indicated in file(s).

Digital version is saved as an EPS file on transfer space, titled with your last name (ex: *smith-UC.eps*).

A

Create 2 full versions of uppercase letterforms **H, O, V** at 400 points.

Uppercase letterforms **C, A, T, L, Y, & S** are completed before class 04.19.07 in **both** versions of design format.

Letters are recognizable and show contrasts in size, gray scale, & design arrangements.

Stroke weights, stems, and curves all follow a recognizable formula.

Outside influence is indicated in file(s).

Digital version is saved as an EPS file on transfer space, titled with your last name (ex: *smith-UC.eps*).
