Basic Web Design

Statement of Intent:

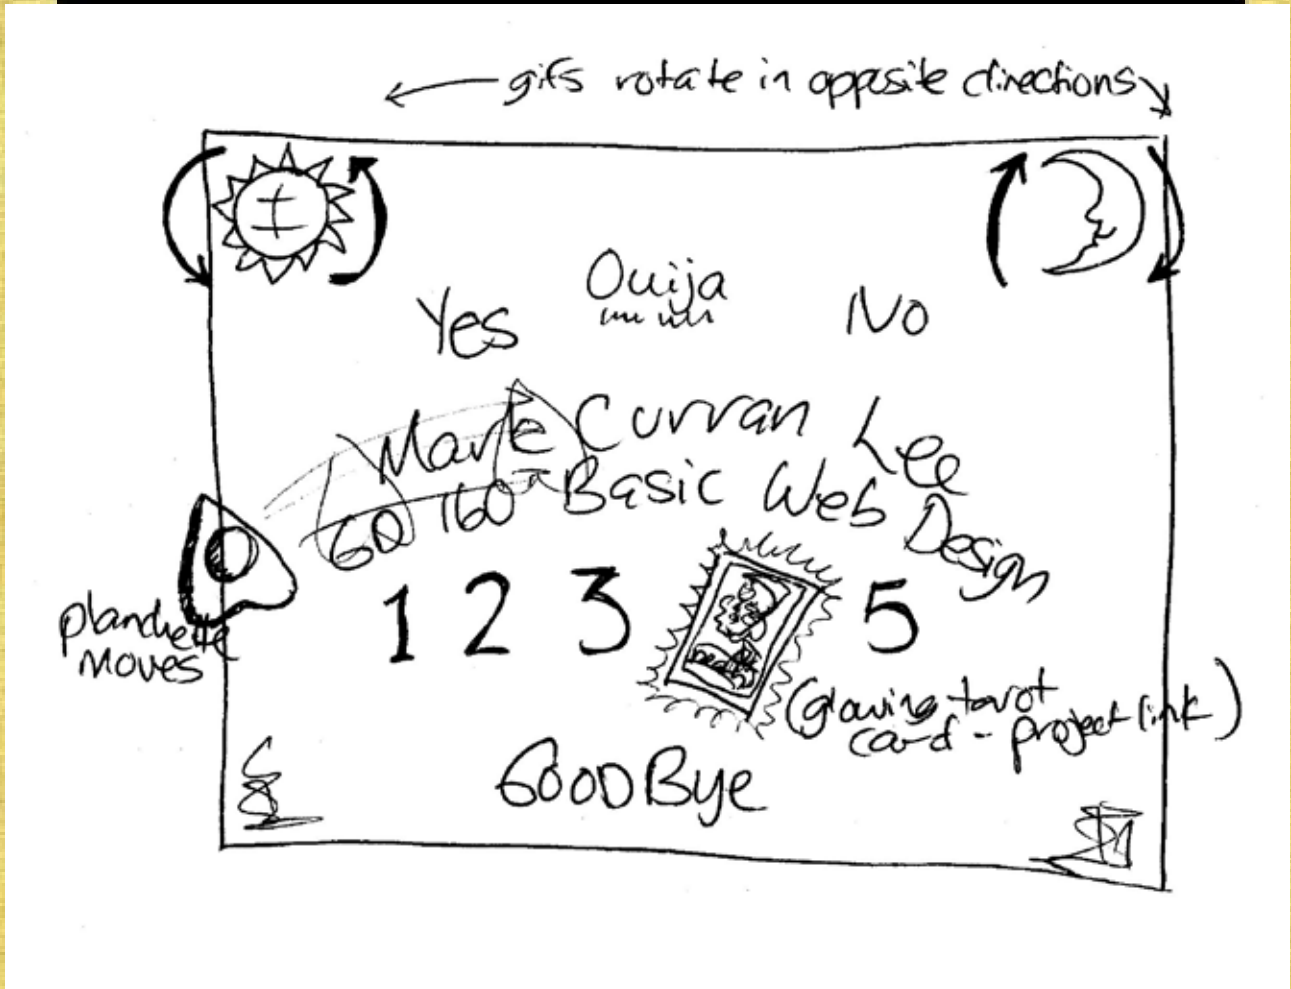

The intent of this page is to demonstrate my newly acquired skills in basic web design and utilize the continuing development of my skills in Photoshop, Illustrator, In Design, Dreamweaver and other leading software in the design industry.

In this site I have incorporated elements of Pop Art, Contemporary Art, hot rod and motorcycle cultures, Tattoo Art, Punk Rock and horror movies.

Free Domain Name and Screen Grab

The screenshot shows a web browser window with the URL `http://order.1and1.com/xml/order/domainselect;jsessionid=`. The page title is "1&1 Internet Inc. - Sign up". The browser's address bar shows the URL and a search icon. The page content includes a navigation menu with links for "HOME", "DOMAINS", "MAIL", "WEB HOSTING", "VPS", "SERVERS", "ESHOPS", and "SHAREPOINT". The main heading is "Choose a Domain". Under "Domain Check Result", the domain `markcurranlee.com` is listed as "available" for "only \$6.99/year (Min. 1 year) or Get FREE domains if you order a hosting package!". A "Continue" button is visible. Below this, there is a "Domain Check" section with a text input field for the domain name and a "Check Domain" button. On the left side, there is a sidebar with "ORDER" steps: "1 Start", "2 Personalize", and "3 Finalize". A "Cancel" button is also present. At the bottom left, there is a "Need Assistance?" section with contact information and a photo of a customer service representative.
