

# Exemplification *and* Process Pattern Writing- part 2

You were given a number of subjects which could be used with a Process Pattern.

## OBJECTIVES

1. Compose a two page essay utilizing either pattern.
2. The subject should center around the topic selected.
3. Be decisive in your subjective opinions.
  - Fictional devices and colloquial language are *not* permitted.
  - Back up your opinion with statistics and research.
4. Remember you must follow the standards for academic paragraph writing:
  - Open with strong topic sentences.
  - Use at least five sentences for each paragraph.
  - Write 3 or more supportive evidence sentences.
  - In the body of the essay, every paragraph should contain either a paraphrase from an authority, or a quote from an authority figure.
  - Conclude with a statement summarizing or strengthening your point.
  - Avoid fragments and run-on sentences.
  - Double check your spelling.
5. Use strong transitions between paragraphs.
6. Be sure to follow the individual guidelines supplied over the past few classes.

Keep in mind this essay is more formal than the previous exercises.

Despite the fact it is a persuasion piece, avoid *excessive* use of first person, singular.
