

Cause and Effect- part 1

Below are a number of subjects which can be addressed with a Cause and Effect Pattern.

Choose the focus of your paper from list. Over the week begin gathering preliminary research on your chosen topic. *Using data to defend your point is crucial for this pattern.*

OBJECTIVES

01. free-write for remainder of class
02. isolate a possible topic based on the subjects provided
03. likewise, isolate a strong concept of cause and effect on your topic
04. the topic you choose cannot be changed after today
05. the free-write is not graded for content, but points will be given accordingly
06. neatness does count
07. show exploration of your understanding of cause and effect

SUBJECTS

01. domestic abuse
02. homework
03. obesity in children and young adults
04. reality television and popular culture; what changes has the mass media caused?
05. changing (or not changing) attitudes toward the environment
06. violence in video games and the mass media

DUE

- March 24, Thursday:
 1. full page of free write analyzing subject choice
 2. article from database, 3 or more pages for further class work

assignment
